

Celebrating our Italian Heritage for a Future Legacy

Let's talk family!

Did your family ever sit at the dinner table discussing if you're related to someone and how? This year we're bringing new meaning to our Italian Heritage by initiating that same dialogue at the community level. By starting at the beginning and continuing the conversation for the coming years, we want to know the depth and breadth of our Hill heritage.

We're starting at the beginning. Did your ancestors come to The Hill before 1900? Does family still live on The Hill? We want to celebrate you! The Italian Heritage Parade theme for 2021 is *Celebrating Our Italian Heritage for a Future Legacy*.

The Hill community's bedrock is familial connections, and the conversation is ongoing. You might ask what if my family does not have Italian ancestry, but we have been here for over 120 years? Then you are part of the neighborhood heritage! What if your newer family married into an older family? Then you have a legacy!

For this year we are asking for families who can trace their lineage to before 1900 to participate in the parade. In the coming years we will move the timeline forward to discover newer families and how they have strengthened and built our community.

Please join the fun! For a small entry fee of \$50, you will get two banners for your car or golf cart. Or if you wish for your family to show up in force, you'll have two banners to parade as you walk the route. Get creative and show us who you are, or just join in the fun!

In one way or another, we all share in this wonderful community. Join the conversation and make a connection.
