

Celebrating our Italian Heritage for a Future Legacy! Italian Heritage Parade & Festa | 2022

Let's talk la famiglia! Did your family ever sit at the dinner table discussing if you are related to someone and how? This year we are continuing to honor our Italian Heritage by initiating that same dialogue at the community level.

We want to initiate conversations about the depth and breadth of our Hill heritage. Did your ancestors come to The Hill before 1925? Do family members still live on The Hill? We want to celebrate you!

The Italian Heritage Parade theme for 2022 is *Celebrating Our Italian Heritage for a Future Legacy*. You might ask what if my family does not have Italian ancestry, but we have been here for over 100 years? Then you are part of the neighborhood heritage! What if your newer family married into an older family? Then you have a legacy!

For 2022 we are asking for families who can trace their lineage to before 1925 to participate in the parade. In the coming years we will move the timeline forward to discover newer families and how they have strengthened and built our community.

Please join the fun! For an entry fee of \$75, you will get two large vinyl banners for your car or golf cart which you can keep using in the coming years! Get creative and show us who you are, or just join in the fun!

If you participated last year, come back, and join the fun again! Display your banner and grow your numbers. Please fill out the form to let us know you're coming!

In one way or another, we all share in this wonderful community. Join the conversation and make a connection.
